***Imidan*® 70-W**

Agricultural Insecticide

(Water Soluble Bags)

EPA REG. NO. 10163-169

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- All applicable directions, restrictions, and precautions on the EPA registered label are to be followed.
- This labeling must be in the possession of the user at the time of pesticide application.
- This recommendation is made as permitted under FIFRA §2(ee) and has not been submitted to or approved by the EPA.

CROP	PEST	USE RATE Lbs./Acre
APPLES (7)	Spotted Lanternfly	3 – 5 3/4 (2.1 – 4 lbs ai)
<ul style="list-style-type: none"> • Do not apply more than 22 1/8 lb Imidan 70-W (15.5 lb ai) per acre per crop season. • Do not authorize any person who is not covered by the Worker Protection Standard (WPS), such as members of the general public involved in “pick-your-own,” “U-pick,” or similar operations, to enter a treated area for 14 days after application of this product. • Limit spray drift; turn airblast spray nozzles inward on row ends; and do not apply when bees are in the area. • Applications during the dormant season are prohibited. • For groundboom and airblast applications, do not apply this product within 25 feet of (1) buildings occupied by humans for residential, commercial, or business purposes, including but not limited homes, farmworker housing, or other residential buildings, schools, daycare centers, nursing homes, hospitals, and (2) outdoor recreational areas such as school grounds, athletic fields, and parks. Non-residential agricultural buildings, including barns, livestock facilities, sheds, and outhouses are not included in this prohibition. • For aerial applications, do not apply this product within 50 feet of (1) buildings occupied by humans for residential, commercial, or business purposes, including but not limited homes, farmworker housing, or other residential buildings, schools, daycare centers, nursing homes, hospitals, and (2) outdoor recreational areas such as school grounds, athletic fields, and parks. Non-residential agricultural buildings, including barns, livestock facilities, sheds, and outhouses are not included in this prohibition. 		

GRAPES (East of the Rockies) (See text for PHI)	Spotted Lanternfly	$1 \frac{1}{3} - 2 \frac{1}{8}$ (1 – 1.5 lbs ai)
PEACHES (East of the Rockies) (14)	Spotted Lanternfly	$3 - 4 \frac{1}{4}$ (2.1 – 3 lbs ai)

- Do not apply within 7 days of harvest when using rates of $1 \frac{1}{3}$ lb (1 lb ai) per acre or less.
- Do not apply within 14 days of harvest when using rates greater than $1 \frac{1}{3}$ lb (1 lb ai) per acre.
- Do not enter or allow entry into treated areas during the restricted entry interval (REI) of 14 days. All hand labor tasks, including hand harvesting, are prohibited for 14 days after application. For application rates of $1 \frac{1}{3}$ lb (1 lb ai) or less, mechanical harvesting is permitted at 7 days after application.
- Do not apply more than $6 \frac{1}{2}$ lb Imidan 70-W (4.55 lb ai) per acre per year.
- Do not authorize any person who is not covered by the Worker Protection Standard (WPS), such as members of the general public involved in “pick-your-own,” “U-pick,” or similar operations, to enter a treated area after application of this product.
- Limit spray drift; turn airblast spray nozzles inward on row ends; and do not apply when bees are in the area.
- For **groundboom and airblast applications** during the **growing season**, do not apply this product within 25 feet of (1) buildings occupied by humans for residential, commercial, or business purposes, including but not limited homes, farmworker housing, or other residential buildings, schools, daycare centers, nursing homes, hospitals, and (2) outdoor recreational areas such as school grounds, athletic fields, and parks. Non-residential agricultural buildings, including barns, livestock facilities, sheds, and outhouses are not included in this prohibition.
- For **groundboom and airblast applications** during the **dormant season**, do not apply this product within 50 feet of (1) buildings occupied by humans for residential, commercial, or business purposes, including but not limited homes, farmworker housing, or other residential buildings, schools, daycare centers, nursing homes, hospitals, and (2) outdoor recreational areas such as school grounds, athletic fields, and parks. Non-residential agricultural buildings, including barns, livestock facilities, sheds, and outhouses are not included in this prohibition.
- Aerial application is prohibited.

- Do not enter or allow entry into treated areas during the restricted entry interval (REI) of 4 days. Harvesting is prohibited for 14 days after application.
- Do not apply more than 17 lb Imidan 70-W (12 lb ai) per acre per crop season.
- Do not authorize any person who is not covered by the Worker Protection Standard (WPS), such as members of the general public involved in “pick-your-own,” “U-pick,” or similar operations, to enter a treated area for 14 days after application of this product.
- Limit spray drift; turn airblast spray nozzles inward on row ends; and do not apply when bees are in the area.
- For **groundboom and airblast applications**, do not apply this product within 25 feet of (1) buildings occupied by humans for residential, commercial, or business purposes, including but not limited homes, farmworker housing, or other residential buildings, schools, daycare centers, nursing homes, hospitals, and (2) outdoor recreational areas such as school grounds, athletic fields, and parks. Non-residential agricultural buildings, including barns, livestock facilities, sheds, and outhouses are not included in this prohibition.
- For **aerial applications**, do not apply this product within 50 feet of (1) buildings occupied by humans for residential, commercial, or business purposes, including but not limited homes, farmworker housing, or other residential buildings, schools, daycare centers, nursing homes, hospitals, and (2) outdoor recreational areas such as school grounds, athletic fields, and parks. Non-residential agricultural buildings, including barns, livestock facilities, sheds, and outhouses are not included in this prohibition.
- Applications during the dormant season are prohibited.
